

We are waiting, as the gentleman indicated, for the completion of a privileged scrub from the Senate Parliamentarians necessary for the reconciliation process.

Once we have received that information, the Rules Committee and Mr. MCGOVERN will meet to report a rule with an additional manager's amendment to make technical corrections to the bill, which will be considered on the floor so that the Parliamentarian's concerns will be met in that technical amendment.

We are also awaiting the final two committee estimates from CBO. We expect CBO to have estimates—and I want to make it clear that this may not be the CBO score of the overall piece of legislation. We have just heard from those who are going to be reading that through the night, I know. We are also waiting for the final two committee estimates.

As I said, I want to thank the Senate Parliamentarian, who has been working around the clock—their office has been working around the clock to get us to where I think we are now.

I want to also thank CBO, who has been working extraordinarily hard. This is a large piece of legislation, which I guess is an understatement, and it is also complex.

Having said that, obviously, CBO has been working for months—literally August, September, October, and November—on this legislation. We appreciate the hard work of the Parliamentarian and the Director of CBO and their staffs.

We are working toward completing the Build Back Better Act today, and more information on the schedule will be provided as soon as it becomes available.

Let me add, if I can, Mr. Whip, it is my hope that we will complete this legislation today so that this would be the last legislative day prior to the Thanksgiving work period.

I want to make sure everybody understands, however, we will complete Build Back Better before we go home. I am hopeful and believe—I think most Members are hopeful—that we can do that tonight, whether you are for it or against it, that we can do it tonight, and that is my effort to achieve that objective. I know it is the Speaker's effort as well.

I yield to my friend, the whip.

Mr. SCALISE. I thank the gentleman. So regarding the CBO score, right now we are probably at about one-third of the bill being scored. Would it be expected that it wouldn't come up until the full 100 percent would be scored or something less than that?

The other question would be, if the Rules Committee is going to meet again to come out with an additional rule based on the Senate scrub, would there be additional debate on the bill added as part of that rule or would it just be a debate on the rule and then straight into final passage?

Mr. HOYER. There would be debate on the rule, and then the 20 minutes of remaining debate on the bill itself; 10 minutes on your side and 10 minutes on our side.

I want to say, we do expect to have a full table of the score. As those of you who have pored over CBO scores, you know there is a number of pages—sometimes shorter, 15, it can be longer than that—of prose in explanation of the score. What we will have is the score itself, as I understand it, a summary table of the score. We may not have the prose by that time.

I want to make it clear to you that that is not necessary for us to pass it. It is necessary, and it will be in place, before it goes to the Senate under the reconciliation rules.

Mr. SCALISE. So for the three remaining committees, we have Ways and Means, Energy and Commerce, and Judiciary that still haven't been scored. Would all of those be at least in a table? The remaining committees that have not been scored, would they be part of a breakdown table at a minimum, whether or not it is the more detailed version, as well?

Mr. HOYER. The Energy and Commerce has been done, so we do have that. But the other two will be in the table, correct.

Mr. SCALISE. So Ways and Means and Judiciary would also be in a table before something came?

Mr. HOYER. Yes, that is my understanding.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore (Mr. CARTER of Louisiana). The Clerk read the title of the bill.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from Nevada (Ms. TITUS) that the House suspend the rules and pass the bill, as amended.

TERMINATION OF EMERGENCY WITH RESPECT TO THE SITUATION IN BURUNDI—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 117-76)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs and ordered to be printed:

To the Congress of the United States:

Consistent with subsection 204(b) of the International Emergency Economic Powers Act, 50 U.S.C. 1703(b), I hereby report that I have issued an Executive Order that terminates the national emergency declared in Executive Order 13712 of November 22, 2015, and revokes that Executive Order.

The President issued Executive Order 13712 to deal with the unusual and extraordinary threat to the national security and foreign policy of the United States constituted by the situation in Burundi, which had been marked by the killing of and violence against civilians, unrest, incitement of imminent violence, and significant political repression. In Executive Order 13712, the President addressed the threat by blocking the property and interests in property of, among others, persons determined by the Secretary of the Treasury, in consultation with the Secretary of State, to be responsible for or complicit in actions or policies that threaten the peace, security, and stability of Burundi or undermine democratic processes or institutions in Burundi, or to have engaged in human rights abuses.

I have determined that the situation in Burundi that gave rise to the national emergency declared in Executive Order 13712 has been significantly altered by events of the past year, including the transfer of power following elections in 2020, significantly de-

creased violence, and President Ndayishimiye's pursuit of reforms across multiple sectors. For these reasons I have determined that it is necessary to terminate the national emergency declared in Executive Order 13712 and revoke that order.

I am enclosing a copy of the Executive Order I have issued.

JOSEPH R. BIDEN, Jr.

THE WHITE HOUSE, November 18, 2021.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess subject to the call of the Chair.

Accordingly (at 1 o'clock and 33 minutes p.m.), the House stood in recess.

□ 1802

AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Ms. BLUNT ROCHESTER) at 6 o'clock and 2 minutes p.m.

PROVIDING FOR FURTHER CONSIDERATION OF H.R. 5376, BUILD BACK BETTER ACT

Mr. MCGOVERN. Madam Speaker, by direction of the Committee on Rules, I call up House Resolution 803 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 803

Resolved, That during further consideration of the bill (H.R. 5376) to provide for reconciliation pursuant to title II of S. Con. Res. 14, pursuant to House Resolution 774, the further amendment printed in the report of the Committee on Rules accompanying this resolution shall be considered as adopted.

The SPEAKER pro tempore. The gentleman from Massachusetts is recognized for 1 hour.

Mr. MCGOVERN. Madam Speaker, for the purpose of debate only, I yield the customary 30 minutes to the gentleman from Pennsylvania (Mr. RESCHENTHALER), pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate only.

GENERAL LEAVE

Mr. MCGOVERN. Madam Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Massachusetts?

There was no objection.

Mr. MCGOVERN. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, today, the Rules Committee met and reported a rule, House Resolution 803. The rule self-executes an additional manager's amendment to H.R. 5376, the Build Back Better Act.
